

## Commercial Photography

TBD

Prices on Commercial Photography creativity rates will vary depending on the usage rights for the photos to be created and used. All commercial rates will go by the industry standard FotoQuote Pro to determine the usage price. I will meet with you one on one to find out your needs and timeline when the photos need to be delivered. All Photos will be delivered as 300 DPI and placed on a CD or DVD. If you need the photos E-mailed or FTP transferred we can also offer you this service.
